AT MINERALS HOTEL

BODY TREATMENTS

*Escape the stress of your world
as you step into ours...*

*a very special place where the
healing powers of the earth
have been incorporated into
both the design and services.*

*The interior of Elements Spa
brings the beauty of the outdoors in,
with hand-painted earthscape
walls sparkling with bits of mica,
textured stone surfaces, illuminated
rice paper artwork, hammered copper
fixtures, natural fabrics and truly
unique rainwalls, dripping with
thousands of silver beads.*

*Beneficial minerals are featured
in many Elements' services,
including a unique moisturizer
infused with copper flakes, sodium
scrubs, mineral water soaks, minerals
muds and mineral-based cosmetics.*

Transform your body's complexion and indulge your senses with cleansers, scrubs and moisturizers rich in elements from the earth. Therapeutic extracts and essential oils impart minerals, vitamins and nutrients to purify, restore and tone the skin. All body treatments are 50 minutes hands-on and include a warm, relaxing rain shower.

Native Spirit Wrap... A unique body experience using a mosaic of muds to purify and replenish the skin with minerals.

Detoxifying Mineral Mud... Stimulate, firm and detoxify the entire body with an active marine mud masque.

Crystal Salt Glow... Remove impurities and restore radiance with our triple-layer exfoliating salt formula.

Elements Body Polish... Silky smooth skin emerges with this gentle exfoliation followed by a copper-infused moisturizer.

Moisturizing Mountain Rain... Melt away tension with our velvety rich body butter to replenish the skin to silk-like softness.

MASSAGE THERAPY

Elements' diverse menu of massage therapies provide what your body and psyche need most, from relaxation to restoration, or an instant energy boost. Therapists apply specialized massage techniques over your entire body or specific muscle groups. All massage services are 50 minutes hands-on.

Shared Tranquility... Therapeutic massage for two pamperers in a luxurious and calming atmosphere.

Sacred Stone... This ancient art of healing uses elements of Mother Nature to relieve tense muscles, sore joints, and the everyday stresses of life. A light massage integrating traditional therapeutic massage strokes with the placement of warm stones will uplift and restore the body and mind.

Deep Tissue... Tension in the body is released through slow strokes using firm pressure. The therapist will address areas of concern and tailor the massage exclusively to you—working within your comfort level. This will enhance circulation, detoxify the muscles and ensure deep relaxation.

Sports Therapy... A full body target-specific massage specifically for the active athlete, or for anyone on the go. A medium to firm pressure massage that incorporates stretching for optimum results that invigorates tired, sore muscles, decreasing muscle tension while promoting flexibility.

Reflexology... This ancient healing therapy stimulates the reflex points of the hands and feet. While relaxing and rejuvenating each part of the body, it restores energy and balance. It also helps eliminate toxins from the body and stimulates circulation.

Aromatherapy... Enhance your massage experience with the therapeutic benefits of synergistically chosen aromatherapy blends to directly affect your mind, body and spirit. A light to medium pressure, this massage will leave you feeling relaxed and renewed.

Therapeutic Massage... Our therapeutic massage incorporates long, fluid strokes of varying depth of light to medium pressure. You will have improved circulation, relaxed muscles, diminished stress and enhanced immune functioning.

Golfer's Delight... Massaging the neck, back, shoulders, forearms and hamstrings relaxes and increases flexibility.

Maternity... A nurturing full body massage releases tensions and eases the discomforts of pregnancy.

Indulgent Additions... Enhance any massage with an aromatic blend of natural oils.

SKIN CARE

Glow with the radiance of healthy skin. Elements' technicians expertly apply natural cleansers, scrubs, toners, masques, moisturizers and serums that are rich in therapeutic minerals and extracts from the earth to purify, rejuvenate and firm your skin. All skin care treatments are 50 minutes hands-on.

Radiance Jessner Treatment... A synergy of exfoliants to optimize the skin renewal process. Exceptionally strong antioxidants protect the skin's structure. The recipe of ingredients is made for oily, acneic, dry, dehydrated, sun-damaged or hyperpigmented skin.

Copper Firming Facial... Firm, resurface and tone your skin with this professional strength exfoliation treatment. Hydroxy acids or enzymes remove dulling surface debris to reverse signs of aging while a nourishing cocktail of copper peptides, vitamins and botanical extracts firm and restore your skin to optimal health. A professional peel appropriate for your skin type is included in this facial.

Enzyme Facial... Customized by your esthetician, with a choice of herbal, pumpkin or papaya enzymes. This specialized exfoliation treatment will unclog pores, increase cellular turnover and bring clarity to your skin tone.

Glycolic Peel... Promotes the repair and regeneration of skin with two levels of intensity – 30% or 60%. The synergistic compound of ingredients provide clarity and a refreshed complexion elective treatment for uneven tone or textured skin, oily, acne and sun-damaged.

Lactic 15%... A mild exfoliant with moisture retention properties to promote softer and smoother skin. A medley of berry extracts to strengthen and brighten the complexion. The hydrating ingredients make this an ideal treatment for dry, dehydrated or sun-damaged skin conditions.

Vitamin C Facial... Rejuvenate and refine sallow complexions caused by chronological and environmental skin aging. A powerful blend of hyaluronic acid and pure vitamin C helps to combat free radicals that attack collagen and elastin that cause skin to age.

Back Treatment... A deep cleansing for the back. Steam, cleanse and exfoliation followed by a customized mask. This treatment ends with a relaxing back rub with a wonderfully hydrating lotion.

SKIN CARE (Continued)

Clear Skin... Calming, purifying and anti-inflammatory benefits. By infusing powerful essential oils, your skin is left decongested, refined and balanced. Designed for those with oily, problematic skin types.

Sensitive Skin Calming... Designed to leave even the most sensitive skin clean, soft and radiant. Ultra mild – perfect for hyper sensitive skin. Redness and inflammation are calmed.

Glo... Revitalizing facial charged with multi-vitamins, antioxidants and essential nutrients is suitable for all skin types including the most sensitive. Your skin will look toned, healthy and hydrated.

Spa Potion Facial... Luxurious June Jacobs Signature Facial is an essential part of any skin care regimen. Combining natural botanicals, vitamins, antioxidants and plant-derived proteins, this customized facial will nourish and revitalize your skin.

Gentlemen's Facial... Formulated for men's skin. This treatment is designed to deep cleanse, detox, purify and hydrate your skin. Customized for your individual needs.

Microdermabrasion... Treatment combines the topical exfoliation of microdermabrasion, with the rejuvenating effects of our spa potion facial, offering immediate results. The machine's vacuum system removes dirt and dead skin cells encouraging healthy, vibrant skin cells to the surface which prepares the skin to receive the nutritive benefits of our spa potion facial. This remarkable treatment will leave the skin looking and feeling refreshed and glowing. For more dramatic results, a series of 6 treatments is recommended.
